

Making a map. . . The New England and Mid-Atlantic States
(Use the map on page 73 in your Social Studies book for assistance.)

_____ Label each state and locate and label its capital,
including Washington, D.C.

_____ Locate and label these bodies of water:

Atlantic Ocean
Connecticut River
Finger Lakes
Hudson River
Lake Ontario
Lake Erie
Chesapeake Bay
Delaware River
Susquehanna River

_____ Locate and label these geographic features:

Cape Cod
Adirondack Mountains
Mt. Washington
Long Island
Appalachian Mountains
Niagara Falls

_____ Color the 6 New England states orange.

_____ Color the 5 Mid-Atlantic states yellow.

_____ Color the bodies of water that you labeled blue.

_____ Give your map a title.

Make sure your work is neat and everything is spelled correctly.
Use colored pencils ONLY to color your map.

Due Date: _____
